

First Author's Full Name and Manuscript Title

Authorship and Acknowledgments

Does your submission follow the requirements of the EID's [Author Resource Center and Author Instructions](#)?

(check one) Yes No

Do all authors meet the authorship criteria in the [Author Instructions, Section 3.4](#)? (check one) Yes No

Have you obtained written permission from all persons listed as authors or listed in the acknowledgments?

(check one) Yes No

Have you provided Open Researcher and Contributor ID (ORCID) identifiers for the first and corresponding authors?

(check one) Yes No

Do you affirm that the corresponding author is the primary contact for reviewing the edited manuscript and galley proofs and have you provided their postal and email addresses, and phone number in the manuscript? (check one) Yes No

Have you provided a two-sentence biography for the first author, or for both authors if there are only two, in the manuscript text? (check one) Yes No

Agreements and Consent for Copyediting

Do you agree and acknowledge that if your manuscript is accepted and published in EID, it will, upon publication, be in the public domain and can be used freely without liability for copyright infringement? (check one) Yes No

Do you affirm that your manuscript (or one with substantially similar content) has not been published previously? (check one) Yes No

Has any author of your manuscript used a chatbot or artificial intelligence tool for any portion of your manuscript? (check one) Yes No If yes, have you followed EID's disclosure requirements for the use of chatbots and artificial intelligence in EID's [Author Instructions, Section 3.2](#)? (check one) Yes No

Has your manuscript's content been posted on a preprint archive? (check one) Yes No If yes, have you provided the URL in the manuscript? (check one) Yes No If yes, do you agree to update the archived preprint with your article's Digital Object Identifier (DOI), a link to the version of the article published in EID, and a complete citation upon publication in EID? (check one) Yes No

Additional notes or statements:

Has any image or table submitted with your manuscript been previously published or modified, enhanced, reproduced, or duplicated from any previously published image or table? (check one) Yes No If yes, have you provided written permission with your manuscript? (check one) Yes No

Did any author receive financial support for the work described in your manuscript? (check one) Yes No If yes, is this disclosed in your manuscript? (check one) Yes No

Does any person or organization have a financial interest in the content of your manuscript? (check one) Yes No If yes, is this disclosed in your manuscript? (check one) Yes No

Does any author have any relationship or arrangement that could potentially qualify as a conflict of interest under the standards in the EID's [Author Instructions, Section 3.2](#)? (check one) Yes No If yes, is this disclosed in your manuscript? (check one) Yes No

Does your manuscript involve human subjects research? (check one) Yes No If yes, does your manuscript contain the information required by EID's [Author Instructions Section 3.2](#) regarding human subjects research and approval by an ethics committee or institutional review board? (check one) Yes No

Does your manuscript involve animal subjects research? (check one) Yes No If yes, does your manuscript contain the information required by EID's [Author Instructions, Section 3.2](#) regarding whether you followed institutional national standards? (check one) Yes No

Does your manuscript include any text or image that could be used to identify any individual patient or human subject? (check one) Yes No If yes, have you obtained written consent in accordance with the EID's [Author Instructions, Section 3.2](#)? (check one) Yes No

Does your manuscript involve molecular sequencing? (check one) Yes No If yes, have you submitted the nucleotide or amino acid sequences to an open access sequence database, such as [GenBank](#), and reported the accession numbers in the manuscript? (check one) Yes No

Does your manuscript contain any personal communication from any named person? (check one) Yes No If yes, have you included with your submission a written statement from the person indicating that the information is accurate and that they permit the communication to be used? (check one) Yes No

Do you agree and acknowledge that your manuscript will be copyedited to conform to EID's style conventions for text, references, units of measure, and scientific nomenclature; word count limits; and requirements for visual information (including figures, tables, and photographs)? (check one) Yes No
